Frequently Asked Questions

HOW MUCH TIME DOES BAND TAKE?

The major time commitment begins around mid-August and continues until the end of November. We have a few holiday and Spring concerts that require work. In even-numbered years, we will have a musical that we work with the Theatre department on. We also have a full time schedule for the band to compete in the UIL State and Regional contests. Our all-day summer band camp starts in Mid-August for two weeks, and then regular after school marching season rehearsals take between 3 – 4 days a week from 4-6:30 after school.

WHY IS ATTENDANCE SO IMPORTANT TO MARCHING BAND?

Specific music, drill, and dance team work is designed for each member of the group. Each member is dependent on the other members to be successful. Marching Band is the ultimate in TEAM sports. The success of the band is directly related to every member being at every practice and every performance.
