*Objectives are evaluated as complete (100), *attempted (50), or not attempted (0). Students have unlimited opportunities to attempt playing objectives during the 6-weeks. Objectives may be heard before/after class, as well as before and after school for attempts, or when a director is available. Grades go active in the computer on the dates listed (they start to count in the student's average). **This sheet is due on Friday, December 14th during band class.***

**Not all objectives are eligible for "attempted" credit.*
