- Please follow the link on the last page as soon as possible so that I can secure the appropriate number of rooms, chaperones, and buses

I know everyone has been waiting for information on next year's spring band trip. I have been working to get all of the appropriate pricing in place before sending the information out to you. I am giving you a rough itinerary and payment schedule at this time. Please be aware that some minor changes in the itinerary may occur before we actually leave for our trip.

This Spring we will travel to San Antonio, take part in some fun and exciting events in and around San Antonio, AND perform on stage in Six Flags Fiesta Texas.

It is important on a trip like this to have as many students attend as possible because our concert bands are built on specific instrumentation. Many of the parts cannot be covered by any other students. In many cases entire pieces of music cannot be performed without everyone being present.
