Progress Acknowledgement

I have reviewed my child's objective sheet above and fully understand the expectations for the current 6 weeks. My student and I are aware that there will be no attempts to pass a performance objective after the school day is completed on 3/31/20.

Parent Signature

Date

Students have almost unlimited opportunities to attempt playing objectives during the course of a 6-weeks. Objectives may be heard before/after class, as well as before and after school for attempts, or when a director is available. Grades go active in the computer on the dates listed (they start to count in the student's average).
