

Cougar Band and Encore 2022 Spring Trip

Orlando, FL Universal and Disney

- Please follow the link on the last page as soon as possible so that I can secure the appropriate number of rooms, chaperones, and buses

I know everyone has been waiting for information on next year's spring band trip. We have been working to get all of the appropriate pricing in place before sending the information out to you. We are giving you a rough itinerary and payment schedule at this time. Please be aware that some minor changes in the itinerary may occur before we actually leave for our trip.

This Spring we will learn how to get the most out of our rehearsals and learn how to execute a professional performance as we hone rehearsal skills under the guidance of an experienced **Disney Teaching Artist!**

We will examine the skills, attitudes and priorities essential to music and Dance excellence and culminate with a very special finale: **a recording of their performance**

We will have the opportunity to work toward musical and technical proficiency in a recording studio environment as we:

- Learn arrangements of Disney music/choreography.
- Incorporate accuracy and expressiveness to maximize rehearsal productivity.
- Discuss the requirements of a professional working environment and what is expected of performers.
- Experience the excitement of the world of a professional performer.

It is important on a trip like this to have as many students attend as possible because our concert bands are built on specific instrumentation. Many of the parts cannot be covered by any other students. In many cases music/choreography cannot be performed without everyone being present.
