

Cougar Band 2024 Spring Trip

New Orleans, LA

Please follow the link on the last page as soon as possible so that I can secure the appropriate number of rooms, chaperones, and buses.

I know everyone has been waiting for information on next year's spring band trip. I have been working to get all the appropriate pricing in place before sending the information out to you. Below is the rough itinerary and payment schedule. Please be aware that some minor changes in the itinerary may occur before we leave for our trip.

This Spring, we will travel to New Orleans to take part in some fun and exciting events in and around New Orleans.

While this trip is optional, it is important to have as many students attend as possible because our concert bands are built on specific instrumentation. Many of the parts cannot be covered by any other students. In many cases entire pieces of music cannot be performed without everyone being present.

Please note, we will not be taking a trip in 2025! Our next trip after this will be to Orlando, Fl. in 2026.

YOU MUST BE ACADEMICALLY ELIGIBLE TO ATTEND THIS TRIP!
