General Trip Guidelines

Luggage – Be sure all your luggage and instrument cases are clearly marked with your name, address, and phone number. One suitcase, and one backpack only! Most luggage is black, make yours easily identifiable in the dark.

Schedule – Keep a copy of the itinerary with you at all times. Be punctual! Wear a watch. It is not fair to the rest of the group to ever wait for you.

Security – Most of you will be carrying money and valuables. Be aware that these things can “disappear” at any time. Be careful! Do not leave luggage, purses, electronic devices, bags, horn cases, etc. in an unsecured area.

Shoplifting – Everywhere you go and whatever you do, be sure to handle all merchandise in an open, straightforward manner. Do not give anyone the slightest impression that you could be doing something that could get you thrown in jail.

Authority of Adults – Directors, chaperones, hotel personnel, and many other adults are always in charge. These adults are present to help you have a fun and safe trip. They ARE NOT present to “wait on you.” Always be polite and respectful. Cheerfully follow instructions the first time they are given.

Public Displays of Affection - These are always prohibited, in all places, when traveling with the Cinco Band. Repeated violations may result in serious disciplinary action.

Stay in a Group – Everywhere you go, have at least two “Cinco Band Buddies” with you. This includes the hotel property. NEVER go off alone!! Any student found alone by an adult will be disciplined.

Hotel Pool – The hotel pool is off limits to Cinco Band Students. We will not have time built into the schedule for the hotel pool.

- Hotel Guidelines** -
- a. Always keep your room neat and clean.
 - b. All pay items (movies, room service, etc.) will not be available.
 - c. Chaperones can and will enter rooms at any time for inspections.
 - d. Any suspicious activity will be investigated immediately.
 - e. **Curfew will be strictly adhered to – your door will be taped.**
 - f. Quiet hours will be strictly enforced – This means being quite while in your room!
 - g. The hotel will have many other guests, so be courteous and quiet.
 - h. Never congregate in the hallways.

Citizenship – Always be a great citizen! Remember that all future band trips depend upon what happens on this trip.

Illness/Injury – Please report to a chaperone quickly if you ever start to feel ill or are hurt.

Medicine – If you take prescription medication, it must be kept with the band directors. Let us know well in advance of the trip departure if you will need our nurse to assist you during the trip. Medication disbursement times are clearly marked throughout the itinerary. It is your responsibility to take your medication.

Get some sleep - On a busy trip like this, it is crucial for you to get as much rest as possible. At “lights out,” try to get to sleep quickly.
